Subject/Area: Art	Leader(s): Rebecca Sillifant
--------------------------	-------------------------------------

Quality of teaching and learning; <i>outcomes for children</i>	
Activities and improvements during the year 2020-2021	Teacher inset on art therapy was conducted, information and ideas were shared with staff on how art could be used to support children's well-being. Staff participated in their own well-being activity which proved successful.
Overall evaluation of impact on subject	A survey was not completed as the coverage sheets provided by staff were incomplete and it suggested that the art scheme and art activities were not being covered. Social distancing and sharing resources impacted on art coverage and art lessons. Not able to conduct staff inset on sketchbooks due to social distancing and school restrictions.

Judgement (pick one based upon the above evaluation):
