

The Meadow Community Primary School

MFL Overview

<u>Year</u>	<u>Blocks 1 and 2</u>	<u>Blocks 3 and 4</u>	<u>Blocks 5 and 6</u>
3	<p>French - Getting to Know You Learning how to greet each other, count to 10 and say how old they are.</p>	<p>French – All About Me Understanding and following simple instructions, naming parts of the body, identify colours and talk about what they are wearing.</p>	<p>French – Food Glorious Food Learning vocabulary for a range of foods and learning how to express likes and dislikes. Also introduces using plural nouns.</p>
4	<p>French – All Around Town Learning about the sights seen in typical French cities. They will also learn to describe places in a town, count to 100 and give their address.</p>	<p>French – Going Shopping Learning the specific vocabulary of fruit, vegetables and clothing. Learning how to ask key questions when going shopping. Lesson involving role play and opportunity to speak the language they have learnt.</p>	<p>French – Holidays and Hobbies Learning vocabulary related to holidays, weather and seasons as well as sports and hobbies. Learning how to say what the weather is like.</p>
5	<p>French – Pleased to Meet You A chance to recap on their prior knowledge from year 3 & 4. They will then move on to learning how to express their emotions and to talk about the future.</p>	<p>French – Family and Friends Apply previous skills and knowledge of topic areas such as animals, homes and family to extend their conversation abilities. They will extend their descriptive vocabulary and learn more about how adjectives must 'agree' with the noun they are paired with in relation to number and gender.</p>	<p>French – School Life Children will learn key vocabulary to do with subjects, objects and prepositional language. There is a maths lesson which teaches children the name of 2D shapes in French. They will also learn some questions that they may use at school. Cross curricular links with maths.</p>
6	<p>French – Let's Visit a French Town Children will use and apply their previous knowledge of places in towns, directions and numbers. They will have more practise using bilingual dictionaries and become more familiar with word classes and other grammatical features of the language.</p>	<p>French - Our Precious Planet Learn to talk about and describe environmental challenges in the local area. They will learn how to use the immediate future tense to describe what positive actions they are going to take. The end of the unit gives the opportunity for the children to prepare and perform a short presentation of what they know.</p>	<p>French – More to Explore Children will develop their vocabulary skills and practise a range of key French sounds. They will read a lovely French story and learn a rap to learn key rhyming sounds. They will be able to take part in conversations, interviews, games, activities and surveys as well as reading and writing challenges. There is even a space alien escape room activity to help with their French grammar skills.</p>
