Welcome to our School

A very warm welcome to The Meadow Community Primary School and Pre-School (part of the multi-academy, Symphony Learning Trust.)

We believe it is important to provide a happy, caring environment where every child is encouraged to be confident and excited about meeting new challenges and to strive towards excellence in all they do. It is our belief that children should enjoy school life, be able to celebrate their achievements and realise their potential to the full. That is why we place great emphasis on developing the whole child through our ‘Route to Resilience’ approach. We want children to succeed academically but also personally- becoming the best version of themselves that they can be. The well-being of all our school community is, and always will be, a priority.

At The Meadow, we feel it is very important that home and school work closely together. Through a strong partnership we can share our expectations, develop understanding and celebrate your child’s successes. We look to encourage families to form good relationships with us. We have an open door policy and are available to parents especially at the beginning and end of the day.
