
PUPIL PREMIUM 2016-17

Introduction

The Pupil Premium was introduced in April 2011 for pupils eligible for free school meals, pupils in care who had been continuously looked after for six months and pupils who have been eligible for free school meals at any point in the last six years (known as the Ever 6 Free School Meals).

At The Meadow pupil premium funding is carefully targeted at the designated children and we are able to identify clearly how the money has been spent and how it will be used in the future.

We also aim to continue to seek ways to encourage parents and carers to apply for free school meals where pride, stigma or changing circumstances act as barriers to its take-up.

Possible barriers to learning include:

- Inability to access texts due to low level skills
- Parental engagement
- Lack of positive attitude to learning/disengagement
- Academic/mental health issues
- Pupils with SEN
- Attendance and punctuality issues
- Low income
- Lack of understanding to help with homework
- Social deprivation leading to low self-esteem which impacts upon 1:1 individual support and small group work
- Complex emotional needs
