

Thank you for all the video's this week and the Teams meeting. We really appreciate all your hard work and love the PowerPoints :) FS

I just wanted to send an email to thank you and the team for sending over the first lessons today. We thoroughly enjoyed them and we found them very fun and hands-on. I was a little bit anxious about teaching ***** wrong or doing too little with him. This has given me peace of mind that I can now teach him what he needs to learn. FS

We loved the scavenger hunt today! We managed to do a little bit of subtracting but because dinos were involved we very quickly distracted! 😊 he loved writing his numbers though and kept going to 13. Have a good weekend you deserve it!! FS

Thank you for all your hard work setting up remote learning it has really been appreciated. FS

***** has worked really hard with her maths. Today she used smarties to help (we are working our way through the sweets 😊) I gave her 5 more subtraction calculations to complete and she got them all right. Thank you for the great videos. ***** loves hearing Miss Wood and Miss Hanna's voice. You're all doing a great job. Have a good weekend 😊 FS

Please find attached ***** work from today. She did the Maths monster challenge and got them all correct. She was super proud of herself! She has also done some reading. Her happy poster is work in progress...got to wait for the pink paint to dry before she can finish it!!! Shortly off for some fresh air...walk across the fields with wellies on!!! Have a fab weekend all. Thanks again for being amazing this week. Year 3

Good afternoon,

Please see the screen shots and a photo ready for our very cold walk! **** and I have been blown away with how *****a has adapted to this first week. She has done brilliantly! I think this is down to you teachers who are working flat out to make this home-schooling structured as possibly. So we would like to thank you all and let you know what a fantastic job your all doing. Have a lovely weekend and we shall see you on TEAMS Monday. Many thanks, Year 3

Good evening!

Thank you for your email-especially so late in the day! The first couple of pages were the answers/work from the video that was sent and then ***** decided he wanted to do the worksheet also (which he told us he only had to do the last sheet as that was the one equal to the 'Monster' challenge). Apologies that it wasn't clear. Thank you to you and all the teachers and staff at The Meadow for everything you are doing for the children throughout all of this. Year 3

I just wanted to let you know that I delivered the packs after school today. Parents were extremely grateful and thanked us all for doing a great job and really appreciated the pack. ***** was also very happy to see me! He is doing really well with mum playing teacher.
